LEGAL OUTREACH

RAISING THE BAR OF
STUDENT ACHIEVEMENT
To achieve diversity within any profession, early intervention in the lives of underrepresented groups is a necessity. Legal Outreach thus recruits high potential eighth graders from underserved communities and immerses them in a five-week **Summer Law Institute (SLI)** in partnership with six law schools. Upon completion, the SLI participants apply for admission to **College Bound**, Legal Outreach's four-year, intensive academic skill development and support program designed to prepare them for the rigors of college. Meeting after school, on Saturdays and during the summers, students spend over 2,300 hours building and sharpening the skills needed for college and professional success.
