Fordham University, '24
class of 2020. The names of their colleges are well known: Harvard, Yale, Williams (2),
lost their lives at the hands of the police.

No one could have predicted that 2020 would be a year of social, economic and political
crisis, and social discord resulting from the death of George Floyd and others who have
changed, we cannot afford to forget about those who have been disproportionately
not only America, but in nations around the world. After the way our world has been

The students have been afforded this unique opportunity to look back at their journey of
time of their LO journey. Creating opportunity changes the world for the better. 

The Legal Outreach community, led by Executive Director James O'Neal, was honored to
