LO Hosts our Final *virtual* Debate of the 2020-21 Year

On April 9th, 2021, Legal Outreach's top debaters battled it out in our Debater of the Year Competition or one of the Grade Level Championships. Congratulations to all 24 students who participated! Well done to our winners, who received scholarship dollars that they will receive upon graduation from high school and Legal Outreach. Many thanks to Bloomberg, Allen & Overy, and New York Life for sponsoring the virtual event.

The Law-Related Education Team would like to acknowledge the hard work and impressive skills of all our Legal Outreach debaters, especially given the challenges of this past year. We would like to share our sincerest gratitude to the family, friends, and other sources of support for our students, and especially to the Attorney Mentors and Law School Debate Coaches who volunteered their time to meet virtually with the debaters in preparation for each competition. Thank you and we are looking forward to the hopefully soon days of debating in person!

Sincerely,
Marla Trinidad, LRE Coordinator
