Reaping the Rewards of Resilience

For our Class of 2021, Persevering through the Pandemic leads to the Prize!

On May 27th, Legal Outreach virtually hosted its 38th Annual Benefit & Senior Honors Celebration to commemorate the accomplishments of the Class of 2021 and to express our gratitude to everyone who contributed. The event highlighted our seniors through a virtual graduation processional, their induction into the Legal Outreach alumni association, and the presentation of scholar awards. Our theme for the Benefit, Diversity & Social Justice, was reinforced by our two senior speakers who pledged to take the lessons they learned from LO and "Pay it Forward." Thank you to everyone who made our Benefit a success!
